ABOUT BILL KROPP

Mr. Kropp began his insurance career in 1993 with Crusader Insurance and spent six years there as a commercial lines underwriter. While at TOPA, he was the package underwriter for three years. When he joined Chubb Custom in 2002, he excelled in the property field as an underwriting officer. His entrepreneurial spirit won out, however, and he has accepted the opportunity to build the CA office and specialize in property coverage with WKF&C Agency, Inc. Prior to his career in insurance, Bill, an avid golfer, once caddied for President Nixon, President Ford and many celebrities. When he is not on the golf course talking politics, he can be found hiking with his family.

When asked why he decided to join WKF&C Bill replied, "In my previous position, I kept running across their name, saw their programs and the service they provide brokers and decided that it would be great to work for them. The challenge of building up this branch is exciting and allows me to offer more to my clients."

Mr. Wilson added, "Our firm has experienced exponential growth since 1994 and it is important to get the right professionals in the right place. I believe that Bill is just the person to help us succeed here on the West Coast."
